

International Cultural Exchange Program in LSD DAV PUBLIC SCHOOL PILKHUWA

On 26th June 2023 LSD DAV welcomed Dr. Thoibi Rublaitus, Principal, Corona-Norco Adult School, from California, USA with great Indian tradition. On her day-long visit to school, Dr. Rublaitus participated in assembly and was amazed by the LAV students reciting the Gayatri mantra in synchronicity. She also observed the functioning of the school and interacted with everyone to exchange ideas.

During her interaction with senior students Dr. Rublaitus shared her wealth of knowledge and experience, inspiring students to dream big in life. Principal Monika Sharma encouraged students to ask questions fearlessly.

Dr. Rublaitus guided the students to plan their future by envisioning their goals into 5, 10, 15 year plan thus instilling hope to study abroad and be multi-disciplinary. She also steered teachers to be a true lifetime mentor for their students. Dr. Rublaitus' presence added an international dimension by broadening horizons and fostering cultural exchange.

We focus on developing all round personality
